

JOIN THE MIRA

VISTA PTA!

A committed and involved parent community is one of the things that makes Mira Vista special. This year, our goal is 100% participation. The PTA, through volunteering and fundraising efforts, supports our thriving school community in the following ways.

WHAT DOES THE PTA DO?

✓ **The PTA funds core school needs, which the district does not cover, such as:**

- supplies for every classroom
- buses for field trips
- Wednesday folders
- snacks for students to eat during testing

✓ **We obtain grants.** PTA volunteers secure grants for special science and enrichment programs in the classrooms, and larger school programs, such as the two gardens.

✓ **We run amazing community and school programs** like the Fall Festival, the Science Fair, Spelling Bee, Cultural Night, Spring Dance, Crafts Fair, Pajama Party, and many other programs that make Mira Vista special.

✓ **We've brought back art, music, dance, and science to Mira Vista!**

Band for upper grades, recorders and glee club for lower grades. Art instruction in classrooms. A competitive STEM (science, technology, engineering, and math) club.

Planning for additional support programming is underway. What else would you like to see in our school? Let us know your ideas by coming to our meetings, which are usually held the second Wednesday of every month at the school.

Your participation makes a positive difference in our children's school experience. It is easy to help the PTA in ways that fit your busy lifestyle. We hope you'll join the PTA today!

To join please fill out the information on the back and return with payment to your child's teacher.

Check our website for full information on our programs and updated PTA news and doings.
